Subject: FW: Emergency roof

Katherine,
Received the following via private (and socially distanced) correspondence.
Pls include the attached COA (431 Washington St; J. Fossum) on the next HDC mtg agenda.
I will provide original hardcopy email (if necessary) when prudent.

Subject: Emergency roof

The roof of our house at 431 Washington St blew off causing extensive damage to the interior.
I have been able to get roofers who can do the work on a professional and in historical compliance.
The roof is flat, non-visible from the street; replaced in kind.
This is an emergency. Damage to our belongs may be substantial.
I will Follow up with a COA this week
Thanks,
J
